

# Technical Customer Service Specialist (m/f) – IoT Air Quality Solutions / 100%

## About IQAir

**IQAir AG is a worldwide leader in measuring and improving air quality. We help people lead longer, healthier lives by protecting them from air pollution and allergens at home, at work and on the go. At our Swiss Technology Center we develop and produce IoT air measurement devices and air purification systems for private, public and clinical applications. Our customers are governmental agencies, schools, medical facilities, Fortune 500 companies, embassies and health conscious individuals in over 100 countries. Our mobile air quality -app AirVisual and air quality data platform is used by over 50 million people around the globe.**
